Shipping Charges

Shipping costs are calculated based on the number of items you order. Kidney tea counts as 3 items and books/DVDs count cost \$8 shipping if ordered alone, and have free shipping if ordered with other products. Delivery takes roughly 1 to 2 weeks, although it is impossible to guarantee delivery times because the products must cross the US/Canada border and may be held up by the Customs department for as long as they deem necessary.

The shipping rate is \$14 for 1 item, \$20 for 2 items, and \$1.50 for each additional item via air mail. Surface mail is \$14 for 1-2 items and \$1.00 for each additional item, but is much slower. We use the US Postal Service.
